

BLUE STAR MEMORIAL MARKER MATCHING GRANT APPLICATION

Blue Star Memorial Marker Matching grants are awarded to eligible clubs and councils to assist in the installation and beautification of Blue Star Memorial Highway and Byway markers. Matching grants may not exceed \$500.00 and will be based on the scope of the project and the size of the club. Amount and availability of grant funds is determined by the GCSC Board of Directors.

Blue Star Memorial Grant projects may include:

- Installation of a new highway or byway marker
- Refurbishing of an existing highway or byway marker
- Beautification of a new or existing highway or byway
- Adoption of an abandoned highway or byway marker

Eligibility:

- Clubs of no more than 100 members
- Council of no more than 100 members within the total number of Council clubs

Applications should be submitted to the Blue Star Memorial Marker Chairman with all supporting documents to be considered.
